REVISED AT ANNUAL MEETING

FEBRUARY 19TH, 1883.

CHARTER.

PASSED AT THE JANUARY SESSION, 1869.

AN ACT TO INCORPORATE THE "PROVIDENCE MUTUAL HEALTH ASSOCIATION."

It is enacted by the General Assembly as follows:

SECTION 1. Thomas Boardman, Robert Bradley, John Gray, William Jackson and others, their associates and successors, are hereby created a body corporate and politic, by the name of the "PROVIDENCE MUTUAL HEALTH ASSOCIATION," for the charitable purpose of mutually sharing the burdens of medical attendance among the members of said Association and their families, and the cost of medicines provided for them under medical direction.

SEC. 2. The said Corporation shall be located in the City of Providence, and may admit as members such persons as they may think proper, who are dependent upon their own labor or the labor of their families for support, and such others as they may think proper, who may be

unable to pay the expenses liable to be incurred for medicines and medical attendance upon themselves and their families in sickness.

SEC. 3. The said Corporation may assess its members for the purpose of carrying into effect the objects of the Association, such annual assessments as they may think proper, not exceeding fifteen dollars, upon each member, and may collect such assessments from time to time, in a manner to be prescribed by the By-Laws of said Corporation, and may, if they think proper, graduate the said assessments among the said members, according to the number of persons in the family of the member.

SEC. 4. The said Corporation may exercise all the rights and privileges, and be subjected to all the duties and liabilities prescribed in Chapter 125 of the Revised Statutes, and of the acts in addition thereto and in amendment thereof.

BY-LAWS
OF
Providence Mutual Health
Association.

CONSIDERING that we are all liable to sickness and accidents requiring medical and surgical aid, and also that the burden of such aid falls unequally upon us as individuals, and unequally upon individuals at different times, we form ourselves into an Association for the purpose of removing these burdens as far as may be, and regulating such as cannot be removed, so that they may be more easily borne.
